

Let's Help Cover Those

First United Church of Christ
in cooperation with ProJeCt of Easton, Easton School District's
"Family Connection", Third Street Alliance and other local
churches & agencies is holding a
**Community "Shoe Drive" to get sneakers for our local kids for
this coming school year.**

If you have any gently used, "like-new" sneakers that can be
passed on, please bring them to church any Sunday by Aug. 13th
If you'd like to supply a new pair that would be an even
BIGGER BLESSING!

P.S. While we are focusing on school sneakers, we will accept all kinds of
shoes as other family members may need a pair as well!
